

Minutes from BMCC committee meeting 5th August 2009 @ 7pm

Present: Clive Saunders, Peter Crinson, Oli Wright, Bryony Costin, Andy Hill

Apologies: Claire Sadler, Jon Sadler, Paul Cox,

The purpose of this meeting was to agree that Andy Hill should be appointed Club Ride Coordinator in a caretaker capacity until the AGM and to therefore vote him onto the committee in this new capacity. This vote was unanimous for all committee members including those unable to attend the meeting.

The committee thanks Andy for coming forward for this role following the resignation of Colin Cheeseman last month.

Andy explained that he had recently switched to first claim in order to take on the committee role and welcomed the support of the committee members.

The ride coordinator roles and responsibilities were discussed at length including ride lengths, ride duration and ride captains.

Andy is looking forward to meeting the challenges of this committee position and will be discussing his ideas with the membership in due course.

The meeting closed at 8pm
