- CS has been offered some sponsorship for £250, from Ellacotts (www.ellacotts.co.uk), this was proposed to go towards the above fee. Included with this sponsorship the 2010 club series would/could be named BMCC/Ellacotts TT Series 2010 (?), a brief introduction to the company and weblink on the BMCC website. Also CS to speak to press about mentioning them in articles.
- JS to arrange a date for a WOTG meeting during February. Tuesday 23rd has been agreed to date and it's to be held at The Trigger Pond from 7pm.
- Possibility of increasing the fees.

2. Time Trial Arm numbers

- These have been arranged, printed and delivered, ready for use in 2010. Well done JS.

3. CTC Affiliation

- It was decided not to take this any further as it held no further benefits to the club/members. We are already affiliated with British Cycling and CTT.

4. Club drinks bottles

- OW is going to contact the suppliers to try and get a mixed order of 500ml (x50) and 750ml (x100) drinks bottles.
- Selling price; 500ml = £2.50, 750ml = £3.00.
- Stock to stay at PCr.

5. Youngsters on club runs

- It was agreed that anybody under 16 years old would need to be accompanied by an adult. Unless by prior arrangement with a BMCC ride captain/committee member.

6. Sale of Stuart King's cycling items

- Committee to arrange another date for a sale of the remaining cycling items from Stuart King. Possibility of other members having a table/stall to sell their own items.
- With the money given to BMCC from the sale of Stuart's items, the committee proposed to do the following:
 - £250 Sponsorship to Harriet Owen, presented during 2010.
 - A trophy/award for 'club member of the year' produced to be presented at the annual dinner.

7. A.O.B

- **Sponsorship for Harriet Owen:** The committee agreed to offer £250 to Harriet during 2010. With money from Stuart King's cycling items.
 - AH to speak to Phil Corley's about getting a gift voucher to spend on cycling items.
 - OW to compose a letter to send to Harriet detailing what the committee is proposing for her.
- **Membership:** Numbers at 77 paid up members to date. MP to contact non-members who regularly ride with the club at weekends, but are yet to re-join for 2010.
- **Annual diner 2010:** BC to contact Chesterton Golf Club about the 2010 event. Try and see if the food can be done as a buffet, to make it more relaxed. Music?

The following items are up for further discussion...

- **BMCC cycle jumble:** Proposed to take place during March/April? Would tie in with the sale of Stuart King's cycling items.
 - MP is going to find the number for Wendlebury village hall, so JS can call to see availability on Saturdays.
- **Stuart King Memorial Club Run:** Proposed to take place over the late May bank holiday weekend (29th – 31st). Ride would include a pub stop etc.
- **MTB rides:** Try and get them happening on a monthly basis, the 3rd Saturday of each month. Alternate between local and further away.
 - Local: Look into getting some more local routes in place.
 - Away: Look into possible rides further away i.e. Chilterns, Ridgeway, Wendover, Brickhill, Cannock Chase, Forest of Dean and Wales (weekend).
- **2000 – 2010, 10th year club ride:** BC and MP to look into arranging such ride for August.
